10% Marketing and Colab

10% Early Adopters, Investors, and Advisors

Solana

SHAK is built on the Solana blockchain, a high-performance blockchain known for its speed, scalability, and low transaction fees. Solana's robust infrastructure provides a solid foundation for SHAK's growth and development.

Community-Driven Initiative

SHAK is committed to fostering a strong and active community. Community members will have the opportunity to participate in various initiatives, including:

Security and Transparency

SHAK is committed to maintaining the highest standards of security and transparency. The project will undergo rigorous audits to ensure the security of its smart contracts. Additionally, the project will provide regular updates on its development and financial status.

Roadmap

Phase 1: Launch

Token launch on the Solana blockchain (Raydium)

Initial liquidity pool creation

Community building and engagement

Burning 1 - 100K - 50 M \$SHAK

Phase 2: Growth

Marketing and promotion

Partnerships with influencers and projects

Development of utility features

Burning 2 - 200K - 50 M \$SHAK

Phase 3: Expansion

Expansion to other blockchains

Integration with DeFi protocols

Global community building

Final Burning - 1M - 100 M \$SHAK

Conclusion

SHAK is more than just a meme coin. It's a community-driven project with the potential to create a fun and rewarding experience for its holders. By leveraging the power of the Solana blockchain and the enthusiasm of its community, SHAK aims to become a leading meme coin on the market.
